Frank is a rising 11yo Brown Standardbred gelding with a lovely nature. Frank has just retired from a very successful racing career as a trotter on 9th October, 2021 after having 158 starts and earning \$193,565. He retired sound, but bled and is no longer allowed to race. Frank is good to handle, shoe, worm and float and do anything with. He was started under saddle several years ago when racing in Victoria, and was raced in the Victorian Monty Races (ridden) several times, and still holds the record for the fastest time. Frank is sound and in good health. He is a sensible and well mannered horse. He would suit showing, dressage, or even just a trail riding horse. Frank is a stable favourite and is very special to his owner. He would like to see him find the best of homes where he will become a cherished family member.

The SAQ Adoption Program has been operating since 2002, and in that time, we have successfully rehomed over 1200 Standardbreds that have retired from their traditional roles in Harness Racing. Our adoption program currently has a number of Standardbreds ready for adoption. Further details can be found on our website www.saq.com.au or contact Melissa Bell phone: 0412 973 102
